Mr. Raymond T. Bowman
The Assistant Director for
Statistical Standards
The Bureau of the Budget
Washington 25, D. C.

Dear Mr. Bowman:

Your letter of July 27, 1956, advising us of the plans for the 15th Decennial Census of Population and Housing, has been referred to me by the Director for reply.

We do not believe this Agency's interest in the 15th Decennial Census of Population and Housing is sufficient to warrant the designation of a representative to the proposed Council. However, we appreciate your kind invitation to participate in this important project.

Sincerely yours,

SIGNED

H. Gates Lloyd
Acting Deputy Director
